SATNAM PSYLLIUM INDUSTRIES

Satnam Psyllium Industries was established in the year 2000 and is today a leading manufacturing company in Psyllium (Sat-Isabgol) Seeds, Psyllium Husk and Psyllium Husk Powder Processing. Having its plant situated at Brahmanwada between Unjha and Sidhpur on State Highway near Unjha, which is the Biggest Market Yard of Asia for Commercial Cash Crops and the Agri-Commercial Capital of Gujarat, India.

Satnam Psyllium Industries is also a Government of India Recognized Export House, an ISO 22000:2005 and Kosher Certified Company. The Plant facility also houses our sister concern M/s. Super Psyllium Industries. The facility has adopted Quality and Food Safety Management System as per the guidelines of ISO 9001, HACCP and ISO 22000 and strictly adheres to Good Manufacturing Practices (GMP) and Good Hygienic Practices (GHP). The manufacturing facility is spread over an area of 1,60,000 sft. and is adequately equipped with storage warehouses, processing equipments, a QC Laboratory and an Administrative block.

The entire open infrastructure is fully paved making the facility completely pollution-free.

No wonder we have expanded our client base across India and to countries such as USA, Canada, UK, Germany, Denmark, France, Italy, Poland, Ireland, Switzerland, Brazil, South Africa, Egypt, Afghanistan, Iran, Dubai, Oman, South Korea, Japan, Australia, Pakistan, Bangladesh, China, UAE and others in a short span.
